

One injured in wreck involving dump trucks

(KLZA)-- One man was injured Wednesday morning when two dump trucks were involved in a wreck on Missouri Highway 111 about a mile west of Craig, Missouri.

43-year-old Cedric Wade of Kansas City, Missouri suffered what the Missouri Highway Patrol described as moderate injuries in the crash.

The Patrol reports Wade was westbound on Highway 111 and the other dump truck was eastbound. Wades truck traveled off the north side of the road, came back onto the road and began to skid, then traveled off the south side of the roadway and overturned.

The second dump truck driven by 51-year-old Jason Willis of Harrisonville, Missouri attempted to avoid the first truck and traveled off the south side of the road.

As the first truck overturned, the front drivers side stuck the front drivers side of the second truck.

Wade was transported to Community Hospital in Fairfax for treatment of his injuries by the Atchison-Holt Ambulance Squad.
