Highway 159 bridge at Rulo to open

(KLZA)-- The Missouri River Bridge at Rulo is to open to traffic at 5 o'clock Friday afternoon, September 6.

The Nebraska Department of Transportation informed Richardson County Emergency Management Friday morning that shoulder work and painting of lines is to be finished Friday prior to the bridge opening at 5.

Highway 159 on the Missouri side will remain closed east of Highway 111 which goes north along Big Lake.
