

Falls City School Board Accepts Audit

(KLZA)--The Falls City School Board voted to accept the School District Audit for the last fiscal year when they met last week on Wednesday evening.

Julie Bauman, CPA presented the report which covered financial position, an activities statement and a review of the expenditures of federal awards.

The Board discussed school safety which is one of the district's top priorities.

District 56 now uses SafeSchools Alert, a tip reporting service allowing students, staff and parents to submit safety concerns to the administration four different ways.

Concerns can be phone is toll-free to 1-855-449-6558; or you can send a text message to the same number. you can e-mail to 1896@alert1.us; or contact the company on the web at <http://1896.alert1.us>.

Bullying, harassment, drugs, vandalism or any safety issue you are concerned about can be submitted. Every tip to SafeSchools Alert will be logged and immediately sent to the Falls City School District administration.

In other business the Educators Health Alliance approved a 6.71 percent increase in premiums for the next year. Nearly every school district in Nebraska utilizes the medical and dental insurance plans.
