

Family Medicine Clinic adding precautions for patient visits  
**(KLZA)-- Beginning Monday, the Family Medicine Clinic in Falls City will be taking added precautions to help stop the spread of COVID-19.**

**Appointments with those patients who are sick will be in the morning. Patients who are well will visit in the afternoon.**

**Patients will not be able to schedule Pap's or well adult visits at this time. If you have any health concerns please call and speak to a nurse.**

**Lab appointments will be from 7:00 A.M. - 8:30 A.M. CDL and DOT exams will be in the afternoons.**

**Each patient is asked to bring only one additional family member or friend with them to their appointment, and only if necessary.**

**All patients, visitors, vendors, contractors and guests will be screened prior to entering the facility. This will include a brief survey and temperature check.**

**If you have questions call Family Medicine at 402-245-4475.**

**The complete release follows:**

**ATTENTION: Starting Monday, March 23rd Family Medicine Clinic will be taking more precautions to help stop the spread of COVID 19.**

- Sick appointments will be made in the morning, well visits in the afternoon. We will be cleaning the clinic before the well patients arrive. We have reserved 2 rooms for well patients during the entire day if needed for minor emergent procedures.**
- Patients will not be able to schedule any Pap's or well adults visits at this time. If you have any health concerns please call and ask to speak to a nurse.**
- CDL & DOT exams will be scheduled in the afternoon.**
- Lab appointments will be from 7:00 am-8:30am.**
- When calling in for an appointment you may be transferred to a nurse and asked more specific questions related to your symptoms.**
- When you schedule an appointment please have your insurance and**

**demographic information ready. We will be asking you this information over the phone so you will not have to stop at the front receptionist area upon arriving for your appointment.**

- We are asking each patient to only bring one additional family member or friend with them to their appointment, only if necessary.**

- Beginning Monday, March 23rd, we will be screening all patients, visitors, vendors, contractors and guests prior to entering the facility. This screening is comprised of a brief survey and temperature check. If you have an appointment please arrive 5 minutes before your scheduled time.**

**We want to keep all of our patients safe and healthy!**

**If you have any questions please call our office at 402-245-4475, option #1.**

**If you would like more information on what you can do to prevent or protect yourself and family members please visit the CDC website.**
