Nemaha County Recycling

With people obeying the governor's stay at home order due to the COVID-19 pandemic, there is a lot of deep cleaning and cleaning out going on in Nemaha County. That's a great idea but please remember to dispose of these items appropriately. Your recycling drop off sites are not receptacles for old mattresses, furniture or electronics. Please take items like this to the correct disposal site or have them picked up by your local trash service. Yes! We want your recyclables at the drop off sites but they are not trash collection points!"
