

4 new virus cases in local SE Neb counties

**(KLZA)--The Southeast District Health Department has confirmed four additional cases of coronavirus (COVID-19) within the district.**

**These additional cases include a male in his twenties who lives in Otoe county, a female in her teens who lives in Otoe county, a female in her twenties who lives in Otoe county and a female in her sixties who lives in Richardson county.**

**All identified close contacts will be asked to self-quarantine. Individuals with symptoms consistent with COVID-19 should self-isolate to avoid transmitting the virus to others. COVID-19 symptoms include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, and new loss of taste or smell. In many cases, a person will have more than one of these symptoms.**

**As of June 5, the total cumulative confirmed cases of COVID-19 within the district is 23. Case counts by county are Johnson with 6. Nemaha 4, Otoe 10, Pawnee 0 and Richardson with 3.**

**SEDHD reviews all reported test results as soon as they become available and will continue to report county totals to most accurately reflect current cumulative case numbers in the district.**
