Free COVID-19 screening for Holt and Atchision County MO residents

(KLZA)-- Testing for up to 200 residents of Atchison and Holt counties in Missouri are available Wednesday from 4 – 8:00 P.M.

The Atchison and Holt County Health Departments in collaboration with Community Hospital in Fairfax will provide COVID-19 testing for residents seven years of age and older.

Testing is available even if you do not have symptoms. The testing will involve using a swab to take a sample from inside the nose and can be uncomfortable.

The testing is free. The location and time will be provided to those wanting the test once you have completed a registration form.   You can register online at https://dcphdo02redcap.azurewebsites.net/redcapsurveys/...
