Body discovered in SE Neb county

(KLZA)-- Johnson County, Nebraska, Sheriffs Office personnel responded to a report Monday morning of a body being found.

A press release from County Attorney Rick Smith says a man was found in a vehicle parked in a pasture driveway just off of Highway 136, approximately four-and-a-half miles west of Tecumseh, in a location not visible from the highway.

The Sheriffs Office contacted the Nebraska State Patrol to investigate the death and identify the remains.

The cause of death is under investigation. The press release said the mans identity has been confirmed and his family notified.

No other information about his identity will be released.
