SENCA Head Start to receive CARES funds

(KLZA)--Southeast Nebraska Community Action Head Start which serves low income-children under the age of 5 in Richardson, Pawnee, Nemaha and Otoe counties will received \$132,700 through the Coronavirus Aid,Relief, and Economic Security Act known as CARES.

SENCA Head Start will use the CARES Act funds to resume services. All facilities and vehicles are being cleaned, disinfected, sanitized and personal protective equipment is being purchased along with cleaning supplies.

Money will also be used to for technology upgrades and child learning supplies according to the SENCA news release.
