

Holton USD 336 reports 4th COVID-19 case

**(KNZA)--Holton USD 336 is reporting a fourth confirmed case of COVID-19.**

**The district said in a statement on their Facebook page that the middle school was alerted Friday by a parent that their child had tested positive.**

**Two high school students and an elementary school staff member tested positive for COVID-19 last week, which forced some schedule changes.**

**The district said the middle school student rides a bus in the morning, is out for middle school football and was at Thursday night's middle school football game.**

**The district said if a student has been in “close contact” (within 6 feet of contact for 10 minutes or more) with the student, the Jackson County Health Department will be contacting parents soon to let them know.**

**If your family attended Thursday night's middle school football game, the health department is asking that you monitor yourself and your family for COVID-19 symptoms. You are not quarantined unless contacted by the health department.**

**Parents of students or staff exhibiting flu-like symptoms are asked to contact their health care provider or the Jackson County Health Department.**
