

2021 Nemaha Co budget approved for publication

**(KMZA)--The Nemaha County Commission has approved for publication a proposed 2021 budget that calls for net expenditures of nearly \$13.8 million and a slight decrease in the property tax levy.**

**The Commission took the action when they met Tuesday.**

**The proposed budget contains an estimated tax rate of 42.017 mills, a .419 mill decrease over this year's levy.**

**The mill levy is expected to generate nearly \$8.5 million in property tax revenue.**

**Even though the mill levy will decrease slightly, the county will collect around \$288,000 in additional revenue due to a nearly \$8.8 million increase in the county's assessed valuation.**

**The Commission will consider adoption of the budget following a public hearing at their September 28 meeting.**
