

Richardson County Commissioners meet

(KLZA)--Richardson County Commissioners approved a correction to a resolution authorizing the County Sheriff and County Clerk to execute documents required to receive U.S. Department of Agriculture Development Financial Assistance for the Sheriff's Office vehicle and equipment project application for assistance.

Previously the Commissioners were listed on the documents instead of the Sheriff's Office.

In other action the Board reviewed a counter proposal from the Road Department Union. Commissioners decided to reject the prproposal and will inform the Union that the County's final offer presented to the Union August 25, will be withdrawn if not accepted by the Union membership by the close of business on September 15.
