

Lions Clubs spread positive messages

(MSC News)--You may have noticed some new signs posted in Hiawatha and Robinson with a simple “positive” message.

Its a project done as a joint effort by the Robinson Lions Club and the Hiawatha Lions Club.

The signs contain one or two word messages-- including “ Be Happy”, “ Have Hope”, “ Be Kind” and “ Smile.”

The signs were made by Mike Brown, of Hiawatha.

The idea was inspired by Wendell and Marsha Ganstrom, of Robinson. While vacationing this summer, they drove through West Yellowstone, Montana where their Chamber of Chamber sponsored what's called a “ Be Kind” campaign. After hearing about this, the Lions Clubs decided it would be a good project to try locally.

The Clubs hope that the messages on the signs will help promote good feelings in this difficult time.
