Sabetha Elementary School to move to remote learning

**(KNZA)--The Sabetha Elementary School will move to remote learning beginning Tuesday ( November 3rd) through November 13.**

**The Prairie Hills USD 113 Board of Education made the decision during a special meeting Monday afternoon due to a continued rise in positive cases of COVID-19 at the school among students and staff.**

**5th graders had already moved to remote learning Monday.**

**Superintendent Todd Evans said for all classes, except for 5th graders, Tuesday will be an organizational day for educators to prepare materials. He said 5th graders, who were already scheduled for remote learning, will continue with the schedule that was distributed.**

**Students at the Sabetha Elementary School are scheduled to return to on-site learning Monday, November 16.**
