Atchison wreck leaves one injured

(KAIR)--A two-vehicle, late Sunday afternoon Atchison wreck, sent one to the hospital.

According to a report from Atchison Police Chief Mike Wilson, Harleigh Flax, of Ransom, was eastbound on Kansas Avenue but failed to stop for the stop sign at 3rd Street. That caused her Ford Escape to collide with a northbound GMC Acadia, driven by Kimberly White, of Atchison.

The impact of the collision caused the Ford Escape to land on its top, sending the 18-year-old Flax for hospital examination through transport by Atchison County EMS.

The wreck happened around 5:15.
