Atchison & Doniphan Counties under burn bans

(KAIR)--Burn bans have been issued for Atchison and Doniphan Counties.

Atchison County Emergency Management Director Wes Lanter said a burn ban is place for Wednesday and Thursday.

That comes as National Weather Service has placed Atchison County in a Red Flag Fire Warning due to the dry and windy conditions.

Also Doniphan County is under a burn ban until further notice due to the high fire danger.

That word Wednesday from county Emergency Management Director Julie Meng.

No outside burning is permitted.
