Brown Co reports 4 additional COVID deaths

(KNZA)--Brown County is reporting four additional COVID-19 related deaths.

The Brown County Health Department reported the deaths Wednesday, bringing the total to 17 since the pandemic began.

No information was released on the individuals.

The Health Department also reported 12 additional positive cases since Monday, but a decrease in active cases.

As of Wednesday, there were 48 active cases of COVID-19, with 8 currently hospitalized.

Brown County has seen a total of 861 positive cases since the beginning of the pandemic.
