Winning Powerball ticket sold in NE KS

(KAIR)--A northeast Kansas resident is \$50,000 richer after purchasing a winning Powerball ticket.

According to a release from the Kansas Lottery, the player's ticket Wednesday night matched four numbers, and the Powerball, to win the prize. The winning numbers were 4-23-37-61-67 Powerball 7 and PowerPlay 2X.

Although it wasn't yet known Thursday who won the prize, the northeast Kansas region includes such local counties as Atchison, Doniphan, Brown, Marshall, Nemaha, Pottawatomie, Jackson, Jefferson, and Leavenworth,

According to the Lottery, Kansas residents have been on a winning streak when it comes to Powerball, with Wednesday's win identified as the sixth time the prize has been won in Kansas since mid-November.
