Two juveniles arrested in Hiawatha vandalism spree

(KNZA)--Two juveniles have been arrested in connection with a vandalism spree in Hiawatha late last week.

Hiawatha Police took several reports of offensive graffiti and profanity being spray painted in black on utility boxes, signs, sidewalks and the skate park.

The incidents are believed to have occurred between midnight and 5:00 Friday morning.

Police Chief John Defore said the police department received a tip from a local resident that aided in the arrest of two juvenile males in the case.

He said criminal charges are being forwarded to the Brown County Attorney for his consideration.
