Portion of Holt County Highway 111 to be shutdown

(KLZA)-- A section of Holt County Route 111 will close the roadway to all traffic next week as part of a flood repair and resurfacing project.

Crews from Herzog Contracting Corp., working with the Missouri Department of Transportation, will close Route 111 from Beagle Road to Annapolis Road for a culvert replacement Monday morning, June 14, through end of day Wednesday, June 16.

The roadway will remain closed around the clock.

Motorists will need to use an alternate route during the closure.

All work is weather-permitting and schedules are subject to change.
