(KLZA)-- The Nebraska State Patrol has renewed its request for information related to the disappearance of a Jefferson County woman last month.

Investigators have been actively investigating the disappearance of 55-year-old Linda Dillard, who was last seen on June 16 in the rural Table Rock area. The investigation remains ongoing.

Dillard is believed to be missing under suspicious circumstances. She is described as a white female, 5'0", 130 lbs., with blue eyes and brown hair (possibly dyed blonde or wearing a wig). She was last seen wearing a white tank top, jean shorts, a white and purple wig, and brown, lace-up sandal boots. She has several tattoos.

Dillard sometimes walks with a cane and has a medical condition that makes it difficult for her to walk long distances.
