Additional virus-related death reported in Nemaha Co

(KMZA)--An additional COVID-19 related death is being reported in Nemaha County.

Nemaha County Community Health Services reported the death Thursday, saying the individual was 65 years and older.

It brings to 56 the total number of COVID-19 related deaths in the county since the pandemic began.

Since the pandemic began, the county has seen 1,676 total positive coronavirus cases.

The health department is currently reporting 36 active cases, with three hospitalized.
