STEP UP Nemaha Co Match Day a big success

(KMZA)--Organizers say the Nemaha County STEP Foundation's first annual STEP UP Match Day was a huge success.

216 gifts totaling \$48,089 were given during the event on Friday, with donations taken both in-person and on-line.

The purpose of the Match Day was to help area non-profits raise monies for their funds. Each fund is eligible for a dollar to dollar match up to \$3,000 per fund.

The Centralia Community Fund generated the largest amount of donations, totaling \$10,185.

That was followed by the STEP General Endowment Fund, which received donations totaling \$9,000, and Underprivileged Children Fund, which received donations totaling \$7,550.

You can find the complete list of donations made to all the participating charitable funds at stepupnemaha.com.
