Marysville man arrested in Jackson Co on meth charge

(KNZA)--A Marysville man is jailed in Jackson County on drug charges following a report two suspicious individuals north of Holton

Jackson County Sheriff Tim Morse says the Sheriff's Office received a report Tuesday afternoon of two suspicious individuals in a black Equinox, who were reported to be sitting on a porch in the 21-thousand block of Q Road.

A Holton police officer located the pair at the Holton Community Hospital.

Morse said 37-year-old John Ray Crow was subsequently arrested and booked into the Jackson County Jail for possession of methamphetamine and drug paraphernalia.
