

2022 Seneca city budget finalized

**(KMZA)--The Seneca City Council has adopted a 2022 city budget that calls for net expenditures of more than \$13 million dollars and keeps the mill levy steady.**

**The action followed a hearing Wednesday evening drawing no public comment.**

**The budget contains an estimated tax rate of 32.585 mills, which is to generate nearly \$830,000 in local tax revenue.**

**Even though the mill levy will remain the same, the city will collect an additional \$30,000 in taxes due to a \$920,000 increase in the city's assessed valuation.**

**Following a second public hearing prior to the budget hearing, the Council approved a resolution to levy a property tax rate exceeding the revenue neutral rate established by new legislation approved this year by the Kansas Legislature.**
