Bid accepted for Doniphan Co bridge project

(KNZA)--A Doniphan County bridge project moves forward.

The Doniphan County Commission Monday accepted a bid for the replacement of a bridge on 180th Road, north of Severance.

On the recommendation of engineer David Beach with Schwab-Eaton, the Commission voted unanimously to accept the low bid submitted by Reece Construction Company, of Salina, in the amount of \$366,423.

It was among two bids received.

Funding through the Kansas Department of Transportation will pay for a portion of the construction cost.
