

Richardson County Board discusses redistricting

(KLZA)-- Richardson County Commissioners reviewed the proposed redistricting for the County Commission Districts when they met with a representative of gWorks Tuesday.

The proposals are based on the 2020 U.S. Census data. Commissioners will continue to review the proposals but must make a final decision on the boundaries prior to the December 30 deadline.

Sheriff Rick Hardesty and Commissioners met via teleconference with Curtis Field of Prochaska and Associates to address items needing to be completed before continuing with the proposed plans for an addition to the current jail facility.

The annual Verification of Emergency Plan Letters of Agreement with the Nebraska Public Power District were reviewed with Emergency Manager Brian Kirkendall. The Board voted to authorize the Chairman to sign the letter of agreement with NPPD, owners of the Cooper Nuclear Power plant near Brownville to maintain a Radiological Emergency Response Plan.
