Boil order remains in effect for Peru water customers

**(KLZA)-- The boil order for water customers of the City of Peru remains in effect.**

**The pump has been installed in the well, however, it is not running at the proper capacity. Until the proper capacity is met, the water restrictions remain in place.**

**Two water samples have been submitted to the state lab and the City is hoping to get the results back by Friday.**

**Until the results are returned, the Peru water customers must continue to boil water before drinking or cooking with it.**

**Bottled water for the public is available at City Hall in Peru daily from 7:00 a.m. until 8:00 p.m.**

**If you have further questions you may contact City Hall at 402-872-6685.**
