

Fire, rollover wreck, busied Atchison crews Saturday

**(KAIR)--A garage fire, and a rollover crash, both occurred after 7:30 Saturday morning, in Atchison, leaving fire crews rushing to both scenes.**

**Reported first was the garage fire, which happened shortly after 7:30 in the rear of 1725 Main Street, with Police reporting the garage was unoccupied, but fully engulfed in fire.**

**The location of the detached, two car garage meant fire fighters had to respond through the driveway of the convenience store the garage was located behind.**

**According to a release from Atchison Fire Chief Patrick Weishaar, Firefighters were able to bring the fire under control, “but heavy damage to the structure had already been sustained.”**

**The cause of the fire remained under investigation Saturday.**

**Weishaar, in the release, says some of the fire fighters were temporarily called from the scene of the fire following the report of a traffic crash.**

**According to Atchison Police Chief Mike Wilson, that occurred around 7:45 Saturday morning, in the 600 block of Laramie Street, where 26-year-old Taylor Bonar had been eastbound on Laramie Street. It was there, Wilson said, that Bonar's Ford Fusion “struck a parked vehicle causing [Bonar's car] to roll over onto its top.”**

**Bonar, of Atchison, was transported to Mosaic LifeCare, in Saint Joseph, Missouri, by Atchison County EMS, for the examination of possible injuries.**
