

Johnson-Brock School Board elects leadership

(KLZA)-- The Johnson-Brock School Board members elected Jeffrey Ottemann Board President and Keith Bohling as Vice President for 2023 when they met last week.

Blayne Behrends will serve as Secretary of the Board and Kelli Bohling will be the Treasurer.

New Board members sworn in during the meeting were Chester Bohling and Mitchell Neddenriep.

The Board voted to extend the contract of Superintendent Jeffrey Koehler through the 2024-25 and 2025-26 school years.

Superintendent Koehler provided an update on the building project currently in the design stages. He noted the architects would like to meet later this month.

Koehler said the levy increase for the building project would increase by just three cents per \$100 of assessed valuation.

Board members also approved the 2021-22 financial audit conducted by Dana Cole.
