

Rates to increase at Brown Co landfill

(KNZA)--It will cost more to dispose of trash at the Brown County landfill beginning May 1st.

The Brown County Commission, during their March 6th meeting, approved a rate increase.

The rate for in-county trash will increase \$1.60 a ton to \$54.50, while the rate for out-of-county trash will increase a \$1.70 a ton to \$58.90.

The new minimum charge will be \$6.50.

The commission also approved a 25 cent increase in the fee for the disposal of tires at the landfill.

Commissioners say the rates are being increased to cover operational costs.
