Application for confined feeding permit approved

(KLZA)-- The Pawnee County Commissioners approved a Class II confined animal feeding use permit for up to 2,500 animals for Summit Pork in Pawnee County when they met Tuesday.

There is a well on the property. The Pawnee County Zoning Board had voted unanimously to recommend approval of the permit during a May 15th meeting.

The Board also gave favorable comment to the special liquor license requests for the Pawnee County Ag Society during the Pawnee County Fair July 19 - 23rd.
