Vacancy filled on Prairie Hills USD 113 board

(KMZA)--A vacancy has been filled on the Prairie Hills USD 113 Board of Education.

The Board Monday evening approved the appointment of Doug Renyer, of Wetmore, to fill position 4 on the board

The position came open in March following the resignation of Anissa Bloom, of Wetmore.

Superintendent Todd Evans said the opening was published in April but no one had expressed an interest until Renyer came forward recently.

Evans said Renyer will serve until January 8th, 2024.

The position is up for election in November and the person elected will serve the remaining two years of Bloom's term.
