Atchison Co organized for new year

(KAIR)--The Atchison County Commission has organized for the new year, with no changes made to the leadership of the Commission Board for 2024.

The action came Monday, during the Commission's regular weekly meeting.

1st District Commissioner Dr. Allen Reavis made the motion, backed by Noll, to re-elect 3rd District Commissioner Casey Quinn to the role of Commission Chair, which resulted in Quinn retaining the seat of leadership.

Reavis then moved for Noll to remain in place as Vice-Chair for the new year, with that motion approved, putting in place the Atchison County leadership for 2024.

Once choosing leadership was completed, the Commission then went work making other, annual organizational decisions for the new year.
