

County leaders to hit the road Tuesday

(KAIR)--The Atchison County Commission is taking County business on the road Tuesday, holding a mobile meeting at the conclusion of their regular courthouse session.

According to a release, "the purpose of the "mobile meeting" will be to view right-of-way connections and other road and bridge concerns."

The release adds that the on-location presentation will be made by County Road and Bridge Superintendent Joe Snyder.

The tour will be informational only, with the meeting to adjourn immediately following completion of on-site viewing.

Tuesday's regular meeting will begin at 10:00 at the Atchison County Courthouse, with the mobile meeting to immediately follow.
