

Four Holton residents arrested on drug charges

**(KAIR)--A Jackson County traffic stop that resulted in two-drug related arrests Monday evening led investigators to search a Holton residence where two additional arrests were made, along with the alleged seizure of drugs.**

**Jackson County Sheriff Tim Morse, in a release, says the stop was made for a traffic infraction, spotted by a deputy, at Arizona and Banner Road, around 6:30. A Sheriff's Office K-9 was used at the traffic stop, allegedly alerting to the presence of what Morse calls illegal drug contraband inside the Ford Windstar van.**

**Arrested on drug charges were the van's two occupants, 56-year-old Mary Johnson and 69-year-old Peggie Sierra, both of Holton.**

**The investigation that followed the arrests led deputies and Holton Police to serve a search warrant at 813 Wisconsin Avenue, in Holton, a residence where Johnson and Sierra were staying.**

**According to Morse, the execution of the warrant led to the seizure of what's alleged to be illegal drugs and contraband, as well as to two additional arrests, 35-year-old Joshua Johnson and 31-year-old Jeannine Jim, both of Holton.**

**All four of the residents arrested now face a wide range of similar charges, including aggravated endangering a child; expose to meth chemicals, possession of certain stimulant within 1000 feet of a school, possession of methamphetamine, possession of a hallucinogenic drug, possession of THC, possession of controlled substance, and possession of drug paraphernalia.**

**Once in custody, all four were booked into the Jackson County Jail.**
