Pesticide Training Workshop Coming to Holt County Missouri

Agricultural commodity producers are invited to attend private pesticide applicator training Tuesday, February 28th at the Holt County Extension Office in the Courthouse Annex in Oregon. The meeting will begin at 6:30 p-m.

The training is for individuals seeking to obtain a private applicator pesticide license to allow the purchase and application of restricted use pesticides.

To reserve a seat contact the Holt County Extension Office at 660-446-3724.
